Hangman is a classic word game that has been enjoyed by people of all ages for centuries. It's a simple game to learn, but it can be challenging to master. The object of the game is to guess a word one letter at a time. If you guess a letter that is in the word, it will be revealed. If you guess a letter that is not in the word, you will lose a turn. The game ends when you have either guessed the word or you have run out of turns.

## How to Play Hangman Guess The Word

To play Hangman Guess The Word, you will need a piece of paper, a pencil, and a partner. One player will think of a word and write it down on the paper. The other player will then try to guess the word one letter at a time. If the player guesses a letter that is in the word, the first player will write the letter in the corresponding space on the paper. If the player guesses a letter that is not in the word, the first player will draw one part of a hangman on the paper.

The game continues until either the player guesses the word or the hangman is complete. If the player guesses the word, they win the game. If the hangman is completed, the first player wins the game.
