Steve Bannon is a far-right political strategist who served as White House Chief Strategist during the first seven months of the Trump administration. He is a key figure in the alt-right movement and has close ties to white nationalists and other far-right groups. In *Inside Bannon*, investigative journalist Joshua Green provides a detailed look at Bannon's rise to power and his role in the global far-right movement.

Green draws on interviews with Bannon and his associates, as well as leaked emails and other documents, to paint a vivid portrait of a man who is both brilliant and ruthless. He shows how Bannon used his media savvy and political connections to promote the alt-right and help Donald Trump win the presidency. He also documents Bannon's close ties to white nationalists and other far-right groups, and his role in promoting their ideologies.

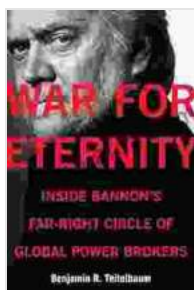

Inside Bannon is a must-read for anyone who wants to understand the rise of the far right. It is a chilling account of how these groups are using social media, propaganda, and violence to spread their message and recruit new followers. Green's book is a timely and important warning about the dangers of the far right and the need to fight back against their hateful ideologies.

Praise for Inside Bannon

- "A must-read for anyone who wants to understand the rise of the far right." - The New York Times
- "A chilling account of how the far right is using social media, propaganda, and violence to spread its message." - The Washington Post
- "Green's book is a timely and important warning about the dangers of the far right and the need to fight back against their hateful ideologies." - The Guardian

About the Author

Joshua Green is an investigative journalist and author. He is a contributing editor at The Atlantic and has written for The New York Times Magazine, The New Republic, and Mother Jones. His previous book, Devil's Bargain: Steve Bannon, Donald Trump, and the Storming of the Presidency, was a finalist for the National Book Award.
