Once upon a time, in a faraway land, there lived a little girl named Jimmy Jane. Jimmy Jane was a curious and adventurous little girl, and she loved to explore the world around her.

One day, Jimmy Jane was playing in the forest when she came across a strange and wonderful thing. It was a big, yellow moon, and it was floating in the middle of the sky.

Jimmy Jane had never seen anything like it before, and she was filled with wonder. She reached out and touched the moon, and it felt soft and warm.

Suddenly, the moon began to speak to Jimmy Jane. It told her that it was a magical moon, and that it could grant her one wish.

Jimmy Jane was so excited. She thought about all the things she could wish for. She could wish for a new toy, or a new dress, or a new pet.

But then, Jimmy Jane had a better idea. She wished for something that would make the world a better place.

She wished for everyone to be happy and healthy.

The moon smiled at Jimmy Jane and said, "Your wish is my command." And with that, the moon disappeared.

Jimmy Jane went home and told her parents all about her adventure. Her parents were so proud of her, and they told her that she was a very special little girl.

From that day on, Jimmy Jane always remembered the lesson she had learned from the yellow moon. She knew that even the smallest wish could make a big difference in the world.

And so, Jimmy Jane continued to explore the world around her, always looking for ways to make it a better place.
