

Life at the Center: A Journey Through the Heart of the Self

Life at the Center is a book about finding your true purpose, living a life of meaning, and connecting with your inner wisdom. It is a journey through the heart of the self, a journey that will lead you to a deeper understanding of who you are and what you are meant to do in this world.

The book is divided into three parts. The first part, "The Journey Inward," explores the nature of the self and the different ways we can connect with our inner wisdom. The second part, "The Journey Outward," looks at how we can use our inner wisdom to live a life of purpose and meaning. The third part, "The Journey Home," brings the two parts together and shows how we can find peace and happiness by living in alignment with our true selves.
