Davidson's writing is honest and engaging, and she has a gift for storytelling. She paints a vivid picture of her life, from her childhood in a small town in California to her years as a young woman in San Francisco to her present day as a successful author. Davidson's marriages are all different, but they all have one thing in common: they all end in divorce.

Davidson doesn't shy away from the pain of divorce, but she also doesn't wallow in it. She writes with humor and insight about the lessons she

learned from her marriages. She also writes about the men who got away, the ones who she loved but who for one reason or another she couldn't marry. These men are just as important to Davidson's story as her husbands, and they help her to shape her own unique definition of love.

My First Five Husbands And The Ones Who Got Away is a must-read for anyone who has ever been in love, lost love, or found love again. It is a funny, heartwarming, and ultimately uplifting story about the journey of finding yourself.

Reviews

"*My First Five Husbands And The Ones Who Got Away* is a delightful memoir about love, loss, and finding yourself. Diane Mott Davidson's writing is honest, engaging, and funny, and she has a gift for storytelling. I highly recommend this book to anyone who has ever been in love, lost love, or found love again."

-The New York Times
