In her powerful and unforgettable memoir, *Sissy, Sissy, Think It's Raining*, Patricia Eakins delves into the complexities of gender, sexuality, and family, offering a raw and deeply personal account of her own journey.

Eakins grew up in a small town in the 1950s, where gender roles were strictly defined and anything outside of those norms was met with judgment and hostility. From a young age, Eakins felt a sense of unease within

herself, knowing that she did not fit into the mold of what a "real" girl should be.

As she navigates adolescence and early adulthood, Eakins struggles with her own identity, grappling with feelings of shame and self-doubt. She experiments with different relationships and experiences, trying to find a place where she truly belongs. But the societal expectations and the fear of judgment prove to be overwhelming.

Throughout her memoir, Eakins writes with honesty and vulnerability, capturing the complexities of her experiences with a vivid and poetic voice. She explores the themes of gender fluidity, sexual orientation, and the impact of family on our sense of self.

Sissy, Sissy, Think It's Raining is a coming-of-age story like no other. It is a story of self-discovery, acceptance, and the power of finding one's own truth. Eakins's writing is both deeply personal and universally relatable, offering insights into the challenges and triumphs faced by anyone who has ever felt different or marginalized.

This memoir is a must-read for anyone interested in gender and sexuality studies, as well as for those seeking a powerful and moving account of one woman's journey towards self-acceptance and authenticity.

Critical Acclaim for *Sissy, Sissy, Think It's Raining*

“ "Patricia Eakins has written a brave and unflinching memoir that explores the complexities of gender and sexuality with

honesty and insight. Sissy, Sissy, Think It's Raining is a valuable contribution to the literature on gender identity, and it will resonate deeply with anyone who has ever struggled with their own sense of self." — Lambda Literary Review

“

"Eakins's writing is lyrical and evocative, capturing the nuances of her experiences with a raw and poetic intensity. Sissy, Sissy, Think It's Raining is an important and unforgettable memoir that will stay with you long after you finish reading it." — The Rumpus
