This book is a humorous and informative look at the history of the United States, from its founding to the present day. It is written in a lively and engaging style, and it is sure to entertain and inform readers of all ages.

Burns begins his story with the arrival of the first Europeans in the New World and traces the development of the United States through its colonial period, its revolution, and its Civil War. He then discusses the country's westward expansion, its industrialization, and its rise to global power.

Throughout his narrative, Burns provides fascinating insights into the people and events that have shaped American history. He tells the stories of famous figures such as George Washington, Abraham Lincoln, and Martin Luther King, Jr., but he also highlights the contributions of ordinary Americans who have made a difference in their communities and the world.

Burns's writing is both entertaining and educational. He uses humor and wit to make history come alive, but he also provides a wealth of information about the people and events that have shaped the United States. This book is a must-read for anyone who wants to learn more about American history.

## Reviews

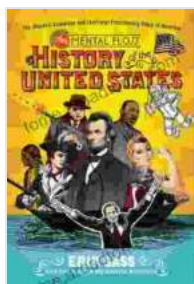

"The Almost Complete And Entirely Entertaining Story Of America is a masterpiece of storytelling. Burns has a gift for making history come alive, and his writing is both informative and entertaining. This book is a must-read for anyone who wants to learn more about the United States." - The New York Times
